Dear Member

REVISED TICKET APPLICATION LETTER

MUNSTER & IRELAND MATCH TICKETS 2010/11

Due to IRFU ticket pooling policy and in order to secure the clubs maximum future international ticket allocation the general committee has revised the pooling arrangements for the November international and home Six nations match tickets. Clubs are obliged to purchase November international and home six nation tickets as complete packages, with both packages linked in terms of allocation. Therefore a reduction in the clubs allocation for the November package would result in a reduction in six nation allocations.

The clubs international ticket allocation is already significantly reduced from the Croke Park allocation.

Thomond Park Heineken Cup tickets are sold as a block of three i.e. covering all three home matches.

Members who have already applied for Munster tickets only need not re –apply.

Deposits are required in respect of certain away matches. Deposit cheques will not be cashed until payment is due.

Please complete the attached pro forma and return to Hon Sec, Bandon RFC, Old Chapel, Bandon or Email bandonrugbyclub@eircom.net

AS SOON AS POSSIBLE

Yours in rugby
